The best kept secret of Languedoc!

An elegant 30 hectare wine estate, beautifully restored to reflect the glory times of Louis XV.

Situated in Frances's biggest wine region, the Languedoc Rousillon (recently renamed Occitanie), on the banks of the Herault river, surrounded by a centuries old park, Chateau Rieutort offers you privacy and intimacy for your wedding celebrations.

Whether you plan a small ceremony for close family and friends or a big party for hundreds, the Chateau Rieutort team will be delighted to host this event and go the second mile for you.

35 km from Beziers airport

50 km from Montpellier airport

Further airports (some 100km) are in Carcassonne, Perpignan and Nimes. Toulouse and Marseille are 220km away. Barcelona - 300km.

The estate includes:

- 30ha of vineyards
- 2,5 ha park
- two swimming pools,
- SPA comprising a giant jacuzzi, sauna and massage rooms,
- the château building and other historical out buildings namely the orangery, dove cote, stables, and supporting winery buildings of which many were converted into gîtes offering you in total accommodation for 60 guests.

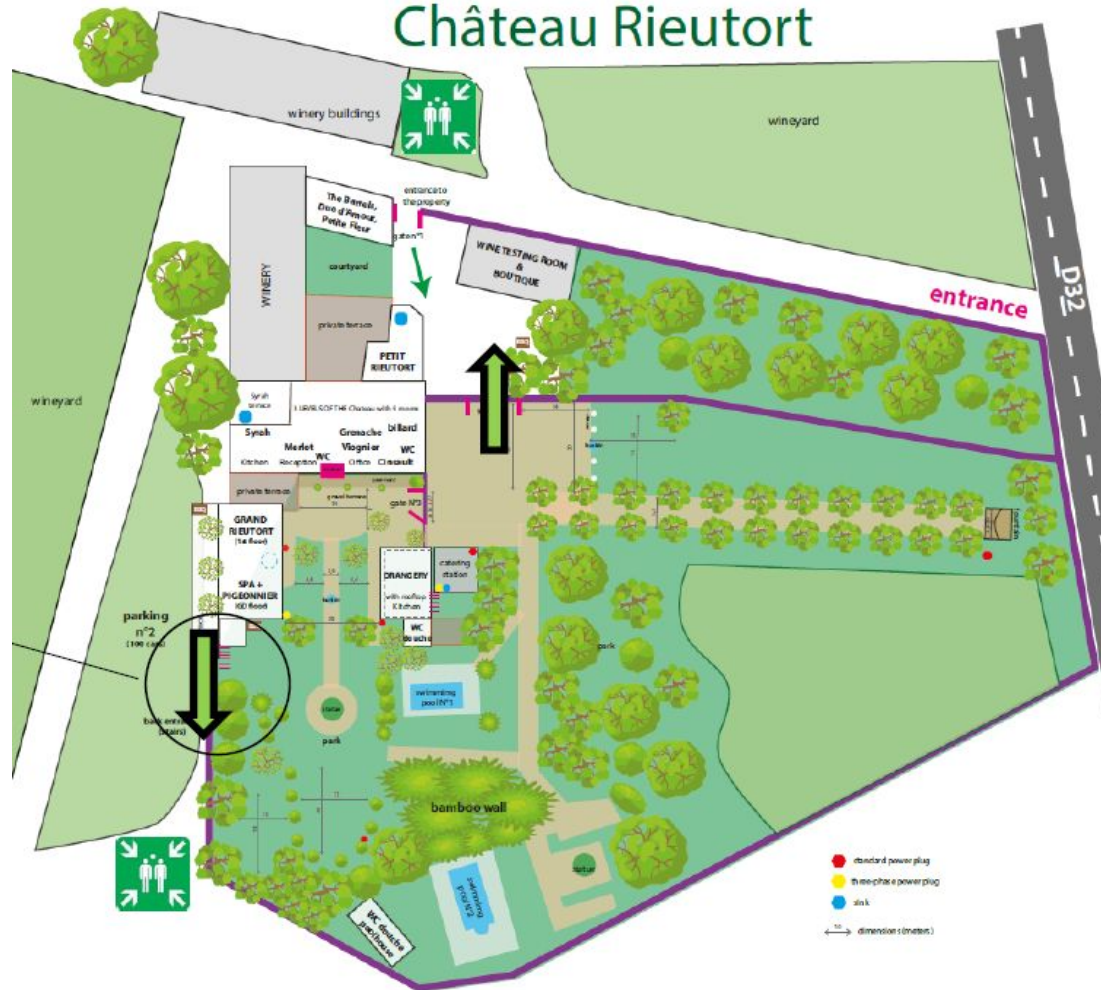

Have it your way!

Whether you prefer an official sit down dinner, standing canapé-style reception, food trucks, relaxed BBQ or a pool party - you can choose your wedding style at Rieutort. You choose your vendors for ultimate peace of mind and a memorable day, weekend or week.

With the signed rental contract, you will receive a dossier with contact details of suppliers who, in the past, have delivered a good service for our guests. You can use them or alternative suppliers of your choice.

or hire a marquee

which provides a guarantee against the worst effects of rain.

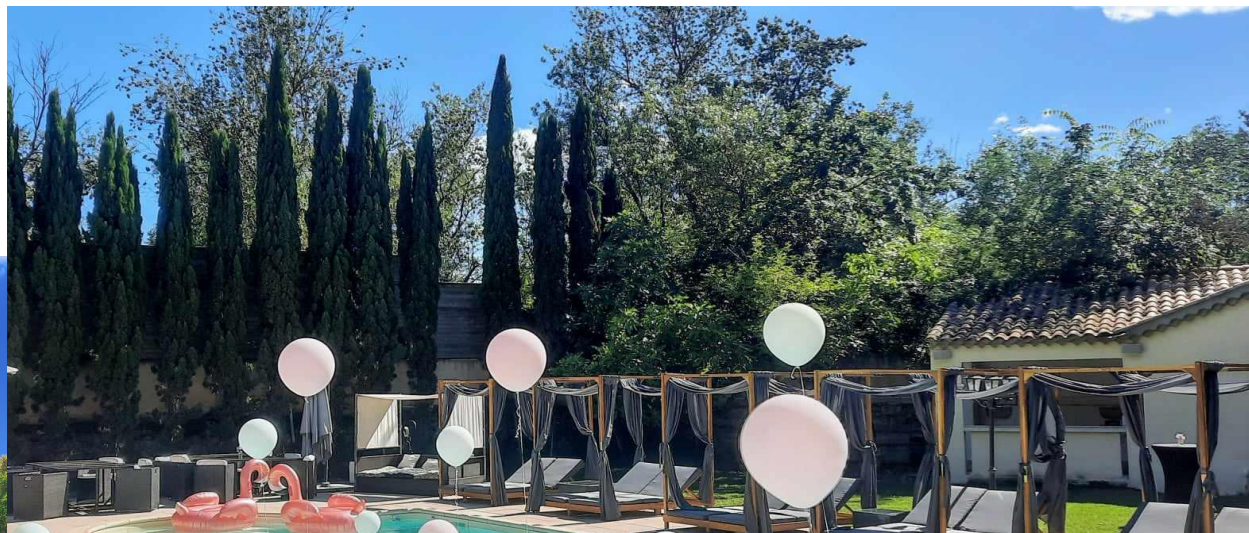

Our pools & SPA

are not only loved by the guests but also provide excellent areas for cocktail parties and unforgettable memories.

Safety

Pools have electric shutters that we can close on request if you plan to have small kids attending your party.

Our SPA offers a giant jacuzzi & sauna
...most probably the biggest private jacuzzi in the area.

We also offer massages
So make sure you make the bookings ahead of time.

Most of your guests can be
accommodated onsite

And this accommodation is included in
the rental price of the venue.

There are B&Bs and hotels in the area for
additional guests.

We have 20 bedrooms and 16 bathrooms
between 5 rooms in the chateau and its 7
gîtes.

60 guests can be accommodated at Rieutort

Chateau rooms and gîtes

Most of our wedding couples choose to stay in the suite Syrah within the Chateau (pictured) or in the Orangery for the space they offer and daylight (so important in photo sessions & bridal preparations).

Some couples spend the nights separately and both suggestions are also used for bridesmaids parties and groom celebrations. A private jacuzzi on the terrace of Syrah is an added attraction.

However it will be you who will decide where to stay and how to allocate your guests.

Every gîte (and Syrah) has a fully equipped kitchen.

If you have older guests, with reduced mobility, think of our ground floor units (suite Cinsault and gîte Pigeonnier).

Why choose Chateau Rieutort?

Because:

- you dream of the south of France
- every girl deserves to be a princess on her wedding day
- you look for luxury, charm and style but with a relaxing and home like atmosphere
- so many of your guests can sleep onsite

- you can party with flexible hours
- you will have a blast at the pool party
- Rieutort offers excellent wines
- the region is super attractive
- you will remember your wedding venue for the rest of your lives and this one simply feels good.

So this is a wine domaine right?

You can treat yourselves and your guests with internationally awarded wines made onsite. You can also plan a gift for your guests to take away and a memorable entertainment in a form of a tutored or informal wine tasting.

What about packages?

This will be the day you will remember forever. It will be different from any other wedding you have ever attended.

Every wedding we have hosted was different! So, is it possible to pack all your dreams & desires in a single package? We do not think so. This is not an industrial wedding site! In the end you will stamp every choice with your personalities. However, we understand the importance of creating a budget.

This is why below you can find two packages crafted by our inhouse optional wedding planner. They include everything a wedding couple would need for a great wedding: top-class suppliers and good planning. When you add a wonderful venue - we make your dream come true.

The packages were built for 60 and 100 guests as a good indicator. Maybe you do not need all the additional suppliers & services, maybe you don't even know yet what your budget is and what are your "MUST HAVES"? We can help you to establish all of that.
